CAPE COD'S HORTICULTURAL
SUPPLY HOUSE FOR 58 YEARS

Victory Gardening -- 1945

Over twenty million Victory Gardeners responded last year to the call to produce more food. Without these gardens and the resulting crops that were harvested, a definite food shortage might have resulted.

Very definitely the need for productive home gardening and home canning is not over. We are again urged to grow as much as possible of our home needs in vegetables.

To avoid waste, to save money and work involved, grow the vegetables your family likes, in the quantities you can use. Provide through the season a continuous harvest, with adequate surplus for home canning. Place emphasis on the foods rich in vitamins which are especially needed to avoid malnutrition under a rationed diet.

Lawrence's is again prepared with ample stocks of high grade seeds, fertilizers and insecticides to fill your 1945 orders. We will again grow thousands of vegetable plants to insure you of early returns from your gardens. Our staff is anxious to give all advice possible to help you in having a better Victory Garden.

Along with the vegetables, do not neglect the growing of a few quickly and easily grown summer flowers. Perhaps a new rose, a new flowering shrub, or a few perennials will make the balance needed between practical and ornamental gardening.

Vegetable Seeds

Discount of 5% for cash on orders of \$2.00 or more.

As the successful growing of seeds, plants and bulbs depends in a large measure on proper weather conditions and cultural methods, we can give no warranty, express or implied, as to the productiveness, quality, or any other matter, and will in no way be responsible for the crop.

All prices in this catalog conform with O. P. A. ceiling regulations where applicable.

Hardy Perennial Flower Seeds

Seeds of most hardy perennials and biennials should be sown in well prepared ground or frames in May, June, or July, and the seedlings transplanted to permanent locations when large enough to handle properly. These seedlings do not flower until the succeeding year after sowing.

Among many other reliable kinds of perennial flower seeds we offer the following, all easily grown.

Columbine	Shasta Daisy	Delphinium in variety
Canterbury Bells	Hollyhock	Clove Pinks (Dianthus)
Lupine	Foxglove	Sweet William
		Painted Daisy

Hardy Perennial Plants

Strong two-year-old field grown plants of the above and hundreds of other varieties of perennials are offered in our **CAPE COD NURSERIES.**

Also, of course, a complete assortment of **TREES, SHRUBS, VINES, ROSES, FRUITS, and EVERGREENS,** all Quality products.

GARDEN TOOLS

As last year, steel garden tools are scarce and difficult to obtain. Our stock will be limited, but we ask you to make inquiry for your needs. We may have what you want in stock in our agricultural department.
